Dear Jonas,

Thank you for recently taking the time to register your interest in becoming a Nominator for The Earthshot Prize. We are delighted to inform you that your application has been accepted and we are absolutely thrilled to welcome you to the Nominator community!

**Nominations for the 2025 Prize will open this October and we will reach out to you closer to the time** to officially welcome you as a Nominator and provide you with all the necessary information and supporting materials you will need.

In the meantime, you may enjoy reading our [Roadmap](#) which outlines the key areas that we see as the highest priority to address and accelerate, and this is what we use to guide our Nominators in their search. It's a great way to understand our priorities and you can get a head start exploring potential nominees that align with our vision.

As a Nominator, you will receive communications from us via this email address going forward: [tep.nominations@earthshotprize.org](mailto:tep.nominations@earthshotprize.org). We recommend adding us to your contacts so that you don't miss any essential updates.

Thank you once again for your support. We look forward to sharing more with you soon!

With best wishes,

The Earthshot Prize team
